The FIFA franchise has been at the heart of many of the most popular sports video games of all time. FIFA is the cornerstone of EA SPORTS' sports entertainment portfolio, with more than 211 million games sold to date. FIFA Soccer, the flagship FIFA series, has sold more than 310 million copies worldwide since its launch in 1989, making it one of the best-selling sports video games of all time. Since its launch, FIFA Soccer has been the foundation for the blockbuster FIFA franchise, and continues to produce top-selling titles with ever-more realistic game play and improved gameplay features, such as ball physics, new dribbling techniques and more. In just a few short years, EA SPORTS has managed to transform the FIFA franchise and make it one of the biggest names in sports video games, proving the incredible power of the brand and its dedication to producing the best games in the genre. Playing as the

world's best FIFA players, FIFA Ultimate Team challenges players to assemble the best teams of footballers from around the world in unique teams. Each year EA SPORTS creates an array of new and unique players and kits for players to compete with. FIFA Ultimate Team tournaments offer players the chance to play with some of football's biggest names and build dream teams. No other game offers players the chance to compete for the latest and greatest footballers. In FIFA Ultimate Team, the power of the brand extends beyond the virtual football pitch. During the FIFA brand's annual football marketing campaign, players across the world are invited to join brands in their own unique FIFA Ultimate Team competitions using official FIFA branded gear and apparel. The award-winning FIFA series offers a variety of modes, including favorites including FIFA, FIFA Club, Ultimate Team, FIFA Ultimate League, FIFA Mobile, Goal!, Take on the World and FIFA The Journey. The FIFA franchise has sold more than seven million FIFA Mobile games and more than eight million FIFA The Journey games to date. In addition, FIFA fans can play in FIFA tournaments across the world with official FIFA tournaments in many countries, in both Ultimate Team and regular modes. FIFA is also the number one sports franchise in terms of long-term sales across

virtually all platforms. Powered by Football™, EA SPORTS™ FIFA 22 brings the game even closer to the real thing with fundamental gameplay advances and a new season of innovation across every mode. What's new in FIFA 22?
