### Elden Ring Features Key:

Bosses Built By Fan Favorite Designers & Key Dialogues The entire game world is full of players whose works will be in the game.

Four Star Ratings Level Battle System Battle with other players in a seamless PvP battle environment. The system was designed from first principles to give the field edge in comparison to other MMOs.

Features 3D Character Movement, Deep System and Feats The system allows for an intuitive use of 3D graphics, such as facial expressions and motion when a character uses an item or moves.

Cyan Characters Featuring Background and Voice Actors from an Anime Series The CG characters and the voice actors will be an unexpected in-game bonus.

Combat System The battle system is designed to place stress on the player's perception. In the sense that it gives the player the sense of "discovering a new game."

Attack System and War Aura Bound to Four Elements Every character in the game uses the

---

destructive powers of spirits bound to Elements. Using this system, at any time, your characters can deal more than 100 damage and cripple your opponent's defense! This is a system that is exhilarating!

Enhancement Link System Equip a new weapon, armor, magic staff, and more via a unique link system!

Level-Up Your Skills and Roles Your characters will level-up in four grades: Skill, Turgidity, Atmosphere, and Ability. You can increase the skills and roles you want.

Adventure-Gathering System The game centers around gathering treasure and monsters.

Collecting these items will strengthen your character. Accordingly, strengthening your character leads to higher levels, which in turn increase your powers. This is an intrinsic way of "taking a step forward," making your experience as a player even more rewarding!

An Epic Drama Full of Dangers

From online gameplay to 3D story, we want to create a dense, exciting adventure with a deep experience for players of all ages, to fill the gap between the massively multiplayer online role playing game (MMORPG) genre and the action RPG game genre.

## **About Midijox:**

**Midijox is a progressive, Multiplayer online battle RPG created by The Komodo Crisis. The New Fantasy Action RPG game genre fuses together the RPG and action game genres.**

**As an RPG, players can freely choose their class, and then battle carefully levelled enemy monsters to gain experience. In addition, users can freely choose their class, and then battle system using their currently obtained skill, weapon, and armor, and gain experience.**

**Of course, since this is an RPG, users can bring out the diverse role and play style of their character.**

**As an Action Game, players can use their relevant skills and items at crucial times to take a decisive blow to the enemy. For example, when a monster is about to destroy a construction, users can use the skill of 'World Repair' to fight against the monster while not losing the construction's integrity. And because the attack powers and items equipped by the player can be changed at any time, the game feels like an action game even for RPG fans. The game also features an innovative 'Business Simulation' mode.**

## **Special Features:**

- **World of Durability, Survive or Fall in the Fields Between**  
**The largest and most difficult field is the World of Durability. There is a conspiracy to destroy the Fields Between, so you must emerge from this field while battling. During this fight, you can improve your character while enjoying the adventure!**

**The game offers a full multiplayer online experience by automatically simulating the world and accommodating the number of people participating in it.**
