“The Elder Scrolls” is a trademark of Bethesda Softworks LLC. © 2014 Bethesda Softworks LLC. Published and distributed by ZeniMax Online Studios, Inc. HERO HEIR HERO ITEMS The number of Hero items is increasing! ■ What is a “Hero Item”? “Hero” is a new designation for gear, weapons, and items that can be acquired from quests and various battlefields. You can see the details in the in-game notice when you look at an item. The “Hero” designation has the following meanings: □Item sells for 20% more. □Item appears at the map location, even if you don’t have the quest that allows you to obtain the item. □Item is given as reward for a quest. □The quest that you need to receive the item won’t be completed upon going back to the quest location. □Item appears on your map even if you have not completed the quest. □Item appears in a special, exciting scene. “Hero Item” Designation The “Hero” designation has the following meanings: ■ “Hero Item” Designation Only items marked with the “Hero” designation meet the above conditions and have a variety of items. This designation increases the rate at which they sell in shops. □Exploration Diary (5th version) □Unique Weapon/Armor Package □Hero Weapon/Armor Package □Weapon Package (2nd version) □Unique Hero Medal Package □Hero Medal Package □Unique Gift Package □Unique Hero Pack □Hero Pack (1st version) In addition, some items have special patterns or designs that will change when you meet different requirements. You can obtain any of the items by defeating monsters on an adventure map or battle map, after completing quests, completing mission (G-rank), defeating monsters in a dungeon, defeating monsters in the Great Dungeon, and so on. You can earn an individual Hero item in the following ways: □In an adventure map or battle map, there is an occasional chance to encounter special monsters. □Upon defeating those monsters, you will receive an item with a “Hero” designation. □An individual Hero item can also be given as reward for

## **Features Key:**

Depth and appeal beyond numbers (including the RPG systems from Mistborn)

Clear and simple mechanics that don't burden players with an overly complex system (one of the points where Kvothe differs from Tellory)

Innate abilities and a unique online world that doesn't force the players to work together

Gorgeous and dynamic story that portrays the Lands Between as a living and changing place

A vivid world that's vast and dynamic where players can explore areas designed to achieve a sense of accomplishment

A refreshing fantasy world where anyone can choose any class and develop it to their own play style

Fight together with friends in battle, and experience a vibrant online world that supports asynchronous multiplayer and local play with up to four players

A battle system that's easy to grasp and challenging to master, with map-based action and accessible battle skills

A wide variety of equipment that can be used to enhance your character in various ways

Randomized maps for new adventures in open fields and deep dungeons. Every experience feels different, offering a refreshing change to your daily life

A story rich in descriptions and pictures that help to bring Elden Ring to life. Becoming a Lord in the Lands Between can turn your reflection from a life full of sadness into a grander and deeper life

THE NEW FANTASY ACTION RPG. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. • A Vast World Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. • Create your Own Character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. • An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama

UPDATED ON: November 15, 2017 (English) Somewhere in the Lands Between. A new country, Tarnished, has been established. Known as the Lands Between, this country lies between the Tarnished and the Aurum. The diplomatic relations between the the two countries are at their worst. This land with foggy skies is filled with chaos. People rushed to head to Tarnished, seeking fortune and fame. The likelihood of meeting someone unexpected are greater than ever. They are people who are not concerned about their family or acquaintances. They have no regard to love, or respect, or love one's own life. Are there men of strength and good-hearted brave women who are courageous and dauntless? Please, find them and join the feast of the Elden Ring! The members were worried to see that this country was no longer under the rule of the Royals. However, they were filled with the excitement of going to their dream land Tarnished. The members have decided to ride on a secret errand to see the world Tarnished. \*\*\*\*\*Game Content Elden Ring: P.A.T. \*\*\*\*\*This video is not targeted for players in Japan. installation of the game is complete. Now, let's proceed to try it out.

## Steps of Upgrading

If you want to be easily able to enjoy the best version of the game, we recommend that you update the game to the latest version.

Starting with the release of Patch 6.22 at the end of 2017, the game and game client will require the latest version.

We had already notified you about this in November, but in 2018 it was obvious that you should react quickly.

To do this it's simple. You just need to follow these 3 steps.

First of all, in the current version of the game, we will need to do an uninstall of the original version.

To do this

## System Requirements:

**Recommended System Specifications: How to Install Minecraft When you launch the game, a window will pop up asking you to Install Java. There is a simple way of doing this, but the easiest way is to use the online tools Installer. Download this from here: Once downloaded, run the Installer. It will install Java for you and download the game. How to Play This guide will be in three parts, tutorials about the key commands, advanced tips**
