---

July 6, 2014 - These instructions were included with the nacd for Medieval Total War v1.0 downloader. This game was cracked using SafeDisc 2 Cleaner (a program that cleans the system of files that, according to some assumptions, can adversely affect the game system or the operating system in general) - the program was written for Windows Vista (and older, although some may work on Windows XP). This bootloader does not run to avoid potential compatibility issues. This game was also hacked with
