
Tesco Webcam Pc Vga W109 Driver

technika techweb 1 webcam and need to download the driver, any idea where I can find it? I have the same problem with another Tesco Technika product ... I currently have a very small webcam in my machine. It works, but my computer can't see it. It is trying to connect to the network. How can I find drivers for this little camera? Please help me, I have this webcam ... I'm currently in another country and I can't get drivers for this device, and I have another small webcam to use on my laptop ... Where can I download the drivers? Please help, I have ...
